ADDRESS FROM MS BOYLE, HEADTEACHER

PRAYER

Let us pause for a moment of silence and place ourselves in the presence of God.

- Loving and gracious God, We thank You for gathering us here this evening—students, parents, teachers, and staff—as we explore the next steps in our journey of learning and growth.
- We give thanks for the gift of our school, for the values that guide us, and for the opportunities that lie ahead. As our young people begin to consider their future studies and the paths they may follow, we ask for Your wisdom and light.
- May this evening be filled with clarity, insight, and inspiration. Help each student to recognise their unique gifts, to dream boldly, and to trust in the plans You have for them—plans for hope and a future.
- We entrust all our hopes and decisions to You, confident that You walk with us every step of the way.
- We ask this through Christ our Lord. **Amen.**

ADDRESS FROM MS WATERMAN, ASSISTANT HEADTEACHER IN CHARGE OF 6TH FORM

A HISTORY OF SUCCESS

Extracted from Ofsted report 2025…

"Students in the sixth form are highly motivated and model high standards of behaviours that the school expects."

"Students in the sixth form actively contribute to the leadership of the school. For instance, through the 'Big Sister' programme and the 'Racial Justice' team. They willingly take assemblies that address themes, such as racism and sexism. 'Aspire' provides targeted experiences for pupils' future aspirations, such as university trips and visiting speakers, so that all pupils learn about future options available to them. Pupils receive a comprehensive careers programme focused on expert careers information and guidance."
